A **resolution** was presented by the Piedmont Association of FWB.

Whereas, we believe that all human life has been endowed, by our Creator, with essential value; and,

Whereas, we believe all human beings are made in the image and likeness of God, and

Whereas, since Roe v. Wade was made law in 1973 some 62,655,483 abortions have taken place in America, and

Whereas the States of New York and Virginia have introduced legislation that would allow abortions up to the 40th week of pregnancy (with the legislation in Virginia allowing for the abortion of a child, after birth (murder), and

Whereas, the taking of innocent human life is disdained and condemned in God's Holy Word, Therefore, be it resolved that the NC Association of FWB's stand firmly against abortion, at any period of pregnancy

Be it further resolved that, as an Association of FWB's, we encourage our Pastors to both teach and preach that abortion is nothing short of murder and is therefore to be condemned from the pulpits of this Association

Be it further resolved that we encourage our Youth Leaders and teachers to address this issue in their classes and youth groups.

We are asked to send this resolution on to the National Association of FWB.
